Google'da arama yaparak montaj işlemini gösteren
videolara ulaşabilirsiniz ;)

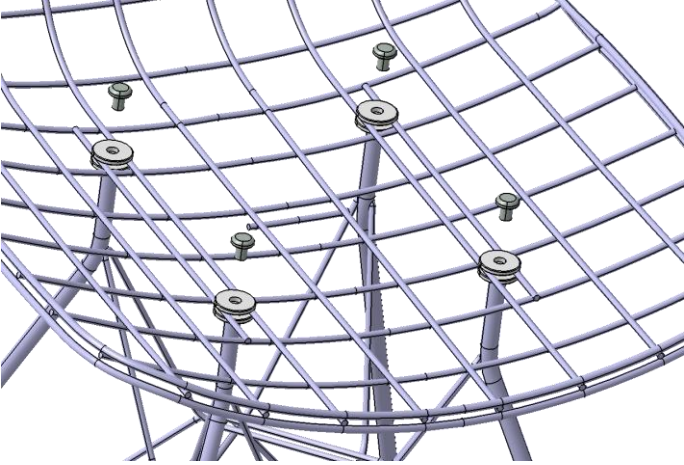

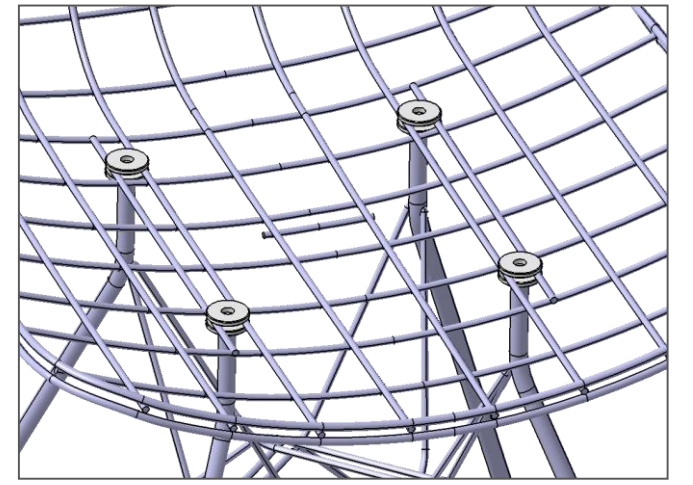

1. Kauçuklar ayaklara çakılır.

2. Ayak üzerine pullar yerleştirilir.

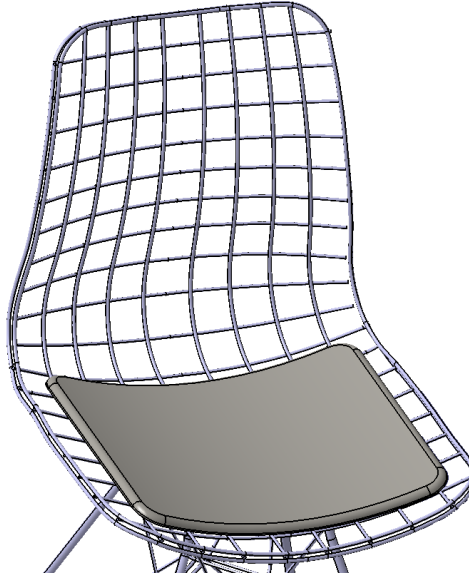

3. Pullardan sonra karkas ve tekrar pul yerleştirilir.

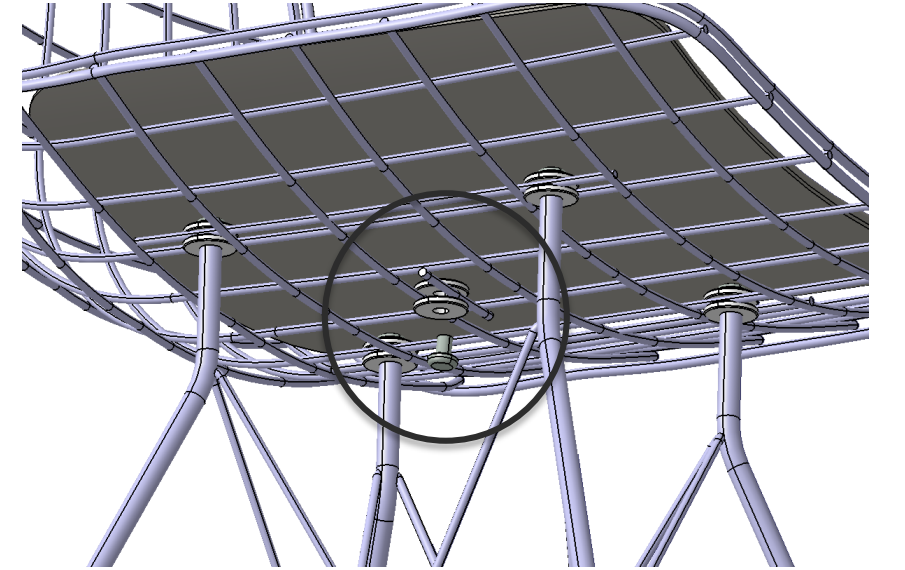

4. Civatalar sıkılır.

Not: Ayağın dengesini sağlamak için öncelikle ayaklar hareket ettirilerek denge konumuna getirilir ve civata sıkma işlemi gerçekleştirilir.

5. Sandalye üzerine döşeme yerleştirilir.

6. Döşemenin alttan bağlantı civatası takılarak montaj işlemi tamamlanır.
